Dear Jeanne,

I am writing to express my appreciation for your good citizenship and your hard work in helping to prevent alcohol-related incidents in Colorado.

Your contributions through TIPS training help prevent intoxication and related injuries and help decrease the risk of tragedies related to drunk driving and underage drinking. The efforts of citizens like you underscore the grassroots value of community service.

Thank you for working to reduce the unnecessary loss of human potential. I salute you for your involvement with TIPS and your commitment to make Colorado a safer place to live.

Sincerely,

John Hickenlooper
Governor
